Complete Packages for your Reception

Prices from 1/7/10

...At Tamburlaine Members' Lodge...

For simplicity of planning and budgeting, our “complete reception packages” include all your reception needs in one. You’re welcome to either choose from one of the enclosed packages, or create your own and send it to us for pricing... No package too big or too small!

Packages are a convenient and cost effective option ... they include room hire, menu, beverages and your choice of theming (room hire paid as deposit will be refunded from the final package invoice).

Please note that our prices are reviewed every July, but once menus are confirmed (max. of 6 months prior to the wedding) all prices are guaranteed to hold.

An on-site wedding ceremony is not included in this cost...this incurs an extra \$550 for the one hour immediately preceding the reception. It also includes set-up, pews, signing barrel and rose petal aisle for the ceremony.
